

CANCELLATIONS AND NO-SHOW POLICY

While we understand that unexpected events may occur that prevent you from keeping your appointment, we require 24 hours notice before your appointment if you should need to cancel or reschedule. If you no-show for a previously scheduled visit, or cancel the same day of your scheduled visit (unless it is an emergency), you will be assessed a \$25 fee, and future appointments may be automatically cancelled.

I understand and agree to these terms.
